About the Speaker:

Eric P. Lesser was elected to the Massachusetts Senate on November 4, 2014. He represents nine communities in the First Hampden & Hampshire District, proudly serving Western Massachusetts as one of the youngest members of the State Senate.

Senator Lesser has quickly earned a reputation as one of the hardest working public servants in the Commonwealth. During his first term in office, Senator Lesser helped pass significant new laws related to substance abuse treatment and prevention, job training, and promotion of tourism and the arts.

Lesser's legislative agenda focuses on the fight for greater economic opportunity and quality of life for Western Massachusetts, with initiatives around high-speed rail, a high tech economy, job training, and innovation in government. Elected at the age of 29, Senator Lesser also spearheads the Senate's agenda on millennial issues, including technology policy, student debt, and greater youth engagement in public affairs.

Senator Lesser holds several leadership positions in the Legislature. He is Senate Chair of the Joint Committee on Economic Development and Emerging Technologies, Senate Vice-Chair of the Joint Committee on Financial Services, Senate Vice-Chair of the Joint Committee on Transportation, and Senate Chair of the Joint Legislative Manufacturing Caucus, the Gateway Cities Caucus, and the Libraries Caucus.
